26. Otto E. Rossler	MD (Dr. med.), PhD in natural sciences (Dr. rer. nat. habil.) –

41.43 (5588 citations)	lecturing as Professor emeritus (at University of Tuebingen , Tübingen, Germany – Faculty of Science)
27. Reza Labbafi 3.69 (2 citations)	PhD Candidate in Philosophy of Science and Technology - Master of Engineering (Msc[Eng]) (at Amirkabir University of Technology , Tehran, Iran – Department of Industrial Engineering and Management Systems)
28. Elena Fedorova 18.83 (51 citations)	Researcher and job seeker (in the present date) (collaborator in Valerii Shulga's Lab)
29. William Balthes 2.02 (0 citations)	Master of Arts (Philosophy) and PhD Student in Philosophy at the HaPI Lab (topic: Philosophy of Probability-Single Case Propensity) (at The University of Queensland , Brisbane, Australia – School of History, Philosophy, Religion and Classics)
30. Dumea Raluca 16.93 (68 citations)	MD specialist - nephrologist (absolvent of “Universitatea de Medicină și Farmacie <<Grigore T. Popa>>” Iași, Romania – Department of Internal Medicine (Nephrology))
31. Fabrizio Vassallo ? (0 citations)	Degree in Computer Science – programmer (at Ente di supporto tecnico-amministrativo regionale [ESTAR] , Toscana, Italia)
32. Corrado Massa 29.28 (123 citations)	Researcher in Elementary Particle Physics and Quantum Physics (see RG account info ; from Italy)
33. Rafael Guzman Escandon ? (? citations)	Physicist - Professor (Full) (at El Bosque University , Bogotá, Colombia – Facultad de Ciencias)
34. Sergey Kuzmin 3.17 (4 citations)	Researcher and lecturer (at Saint-Petersburg State University of Aerospace Instrumentation , Saint Petersburg, Russia – Department of Radio Technical and Optoelectronic Complexes)
35. Sergey Shevchenko 24.59 (67 citations)	Researcher (retired from Institute of Physics of the National Academy of Science of Ukraine , Kyiv, Ukraine – Facultad de Ciencias ; also member of Contemporary Physics Laboratory , initiated by Mr. Daniele Sasso [who is “a retired professor, electronics engineer, independent researcher, presently engaged on research projects concerning theoretical physics, relativity, quantum mechanics, particle physics”])
36. Claudio Messori 9.58 (26 citations)	university degree in cognitive neuropsychology (at Azienda Unità Sanitaria Locale Parma , Parma, Italy – Department of Rehabilitation)
37. Stoil Ganchev Donev 15.26 (104 citations)	Physicist - associate professor (at Bulgarian Academy of Sciences , Sofia, Bulgaria – Nuclear Research Institute)
38. Tamara Kudvkina 17.06 (46 citations)	PhD in physics - Professor (at University "Ukraina" , Sofia, Bulgaria – Department of Engineering Technologies)
39. Changsoo Shin	PhD - Professor(full) of Geophysics (at Seoul National University , Seoul, South Korea – Department of Energy Resources Engineering ; also member of H. Calandra's Lab)
40. Robert G. Batchko 20.22 (1140 citations)	PhD in electrical engineering at Stanford University - researcher

	(President of Holochip Corporation ^[URL2])
41. Dinesh Bhagwan Hanchate 13.93 (58 citations)	PhD in Computer Engineering – assistant professor (at Vidya Pratishthan’s, College of Engineering, Baramati , Bārāmāti, India – Department of Computer Engineering)
42. George Anescu 8.64 (40 citations)	PhD in mathematics (optimization algorithms) – researcher (PhD at Polytechnic University of Bucharest , Bucharest, Romania – Department of Electric Power Systems)
43. Massimo Scalia 22.05 (183 citations)	PhD in mathematics – researcher (retired from Sapienza University of Rome , Rome, Italy – Department of Mathematics "Guido Catelnuovo"); currently works at CIRPS (Interuniversity Research Centre for Sustainable Development) where he coordinates Bioelectromagnetism Section
44. Contzen Pereira 33.84 (224 citations)	PhD in philosophy - Independent Scholar
45. Sharon Roe ? (0 citations)	Master in integrative psychotherapy (at University of Derby , Derby, United Kingdom – Department of Mental Health and Therapeutic Practice)
46. Valdir B. Bezerra 41.73 (2484 citations)	PhD in physics – Professor (Full) (at Universidade Federal da Paraíba , João Pessoa, Brazil – Departamento de Física)
47. C. R. Muniz 27.85 (154 citations)	PhD in physics (cosmology) – researcher (at Universidade Estadual do Ceará ^[URL2] , Fortaleza, Brazil – FECLI department)
48. Vasyl Fedorovych Komarov 9.65 (3 citations)	Affiliated researcher (at Donetsk University , Donetsk, Ukraine – Faculty of Physics and Technology)
49. Mirosław Kozłowski 29.99 (389 citations)	PhD in physics - Emeritus Professor (at Institute of Electron Technology , Warsaw, Poland)
50. S. Mickevicius 16.66 (60 citations)	PhD in physics - Professor (Full) (at Vytautas Magnus University , Kaunas, Lithuania - Department of Physics)
51. Levente Salat 3.91 (17 citations)	PhD in International Relations Theory (at Babeş-Bolyai University , Cluj-Napoca, Romania - Faculty of Political and Administrative Sciences)
52. Peter Gross 11.62 (151 citations)	PhD in journalism - Director and Professor (at University of Tennessee , Knoxville, United States - School of Journalism and Electronic Media)
53. Ghulam Md Ashraf 41.7 (1131 citations)	PhD in biochemistry - Associate Professor (at King Abdulaziz University , Jeddah, Saudi Arabia - King Fahd Center for Medical Research)
54. Santanu Kumar Patro 5.35 (8 citations)	Researcher in mathematics (at Berhampur university , Ganjām, India - Department of Mathematics ; also “founder at Founder at FSRD, India”)
55. Shukry Hammed 3.78 (15 citations)	PhD in engineering - Professor (Assistant) (at University of Technology, Iraq , Baghdad, Iraq - Department of Production Engineering and Metallurgy)
56. Dorina Tacu 28.59 (20 citations)	PhD in medicine - MD (at Institutul Clinic Fundeni , Bucharest, Romania – Renal transplant department)
57. Michael Harney	Bachelor in engineering and physics; master in bioinformatics – researcher and CEO

4.02 (23 citations)	(at Lokatur Inc. , Sandy Utah, USA – Leadership department)
58. Hind Rustum Mohammed 8.33 (12 citations)	PhD in computer science – Professor (at University Of Kufa , Najaf, Iraq – Department of Computer Science ; also member of Asaad Norri Hashim's Lab)
59. Sadig Al-Buradah 2.07 (1 citation)	Affiliated researcher (at King Fahd University of Petroleum and Minerals , Dhahran, Saudi Arabia - Department of Physics)
60. Kamal Hussein 29.3 (169 citations)	PhD in clinical veterinary medicine – Postdoctoral Researcher (at Seoul National University , Seoul, South Korea – Faculty of Veterinary Medicine)
61. Vera Maura Fernandes de Lima 36.29 (589 citations)	Master in Biomedical Engineering; MD degree (“COPPE UFRJ MD Degree UNESP”); PhD degree at University of Washington, Seattle, USA - associated researcher (at CNEN - Comissão Nacional de Energia Nuclear , Recife, Brazil – Centro de Biotecnologia - IPEN São Paulo SP)
62. F. C. Khanna 42.32 (2886 citations)	PhD in physics – Professor (Full) (at University of Alberta , Edmonton, Canada – Department of Physics)
63. Jose Garrigues 14.05 (109 citations)	PhD in physics – affiliated researcher (at Universitat Politècnica de València , Valencia, Spain – Department of Electronic Engineering)
64. A. M. Nagy 17.18 (257 citations)	PhD in mathematics – affiliated lecturer (at Benha University , Banhã, Egypt – Department of Mathematics)
65. A. S. Saad 20.32 (56 citations)	PhD in mathematics – Professor (full) (at Qassim University , Buraydah, Saudi Arabia – Department of Mathematics)
66. Anca Tudor 26.34 (123 citations)	PhD in medicine – lecturer (at Victor Babes University of Medicine and Pharmacy of Timisoara , Timișoara, Romania – Department of Medical Informatics)
67. Michael A. Sherbon 7.93 (53 citations)	Independent researcher in science history (with attended courses at Case Western Reserve University , University of Central Oklahoma , University of North Texas and University of Oklahoma)
68. Giampiero Esposito 40.02 (1993 citations)	PhD in physics – affiliated researcher (at INFN - Istituto Nazionale di Fisica Nucleare , Frascati, Italy – Naples department)
69. Nikolaos Papanikolaou 4.34 (21 citations)	PhD in economics – Assistant Professor (at City University of New York City - Lehman College , New York City, United States – Department of Economics and Business)
70. Teodora Atena Pop 30.66 (288 citations)	MD – Professor (Assistant) (at Iuliu Hațieganu University of Medicine and Pharmacy , Cluj-Napoca, Romania – Department of Internal Medicine and Gastroenterology [Disciplina de Medicină Internă, Cardiologie și Gastroenterologie])
71. Nicolae Bratu ? (0 citations)	Independent senior researcher in mathematics and physics (with no declared affiliation on RG)
72. Kurt Wraae 1.38 (0 citations)	Master in science -independent researcher in physics (with no declared affiliation on RG; member of Contemporary Physics Laboratory)
73. Alexandr Alexandrovich Vakulin	Master in engineering – engineer (with postgraduate studies at Tyumen State University , Tyumen,

3.17 (1 citation)	Russia – Department of mechanical multiphase systems)
74. José Luis Solís González 3.17 (1 citation)	PhD in international economics - Full Professor and Researcher (at Autonomous University of Coahuila , Saltillo, Mexico – FCA - División de Posgrado e Investigación (Unidad Torreón))
75. Issaeva Elmira 2.24 (2 citations)	PhD in physics - senior scientist (at Azerbaijan National Academy of Sciences , Baku, Azerbaijan – Institute of Physics)
76. Robert L. Oldershaw 32.74 (273 citations)	Bachelor in economics, in oceanography and in chemistry - independent researcher (former “clerical assistant at the American Journal of Physics when its editorial office was at Amherst College ”. ”Later[, he] was a part-time scheduler for Amherst College's Pratt Museum of Natural History .”)
77. Luke Kenneth Casson Leighton ? (6 citations)	Researcher in physics (affiliated to Rhombus Tech)
78. Tony Fleming 7.8 (28 citations)	PhD in Bioelectromagnetic Computations - Researcher in physics (declared affiliation to “biophotonics research institute”– Institute of Physics; from Australia; personal website at URL)
79. Gabor Farkas 11.11 (46 citations)	PhD in mathematics - Professor (Associate) (at Eötvös Loránd University , Budapest, Hungary – Department of Computer Algebra)
80. Jefferson Mendes ? (? citations)	Master in human geography - researcher (declared affiliation to University of São Paulo , São Paulo, Brazil – Department of Geography)
81. Amrit Sorli Amrit 16.58 (442 citations)	Physicist “RFN” (declared affiliation to “Foundation of Physics Institute”; see also Amrit Sorli Amrit's Lab)
82. Jun Pan ? (? citations)	Physics hobbyist (with no declared affiliation)
83. Bal Krishna Sharma ? (? citations)	Researcher in chemistry (declared affiliation to The Central University of Rajasthan , Kishangarh, India - Department of Chemistry)
84. Dhanya Job ? (3 citations)	Master in science, in technology and in philosophy (declared affiliation to Mahatma Gandhi University , Kottayam, India - School of computer science)
85. P.F. Zabrodskii 73.73 (139 citations)	MD and PhD in medicine - Professor (Full) (at Saratov State Medical University , Saratov, Russia – Saratov Military Medical Institute (Toxicology); see also P.F. Zabrodskii's Lab)
86. Hobby: Since about 40 years I am interested in Gravitational Physics. Several own papers can be found here on ResearchGate in my “Project”.”)
87. Arturo Tozzi 46.69 (827 citations)	PhD in medicine - MD Pediatrician and Adjunct Assistant Professor in Physics (at University of North Texas , Denton, United States - Department of Physics ; also member of Computational Intelligence Laboratory)
88. Volodymyr	PhD in physics - Senior Research Scientist

Krasnoholovets 20.85 (519 citations)	(at Institute of Physics of the National Academy of Science of Ukraine , Kyiv, Ukraine - Department of Theoretical Physics)
89. Pingyuan Zhou 1.15 (273 citations)	Independent researcher in mathematics (more specifically in prime number theory and Goldbach's Conjecture) (no declared affiliations on RG except Pingyuan Zhou's Lab)
90. Syed Ismyl Mahmood Rizvi 6.23 (0 citations)	Master of arts (M.A.) English and Cultural Studies (at University of Mauritius, Mauritius) AND Bachelor of Arts (B.A.) in English literature (at Patna University, Patna, India) - Faculty Member (with declared affiliation to Patna University , Patna, India - Department of English)
91. Harald Bergmann ? (0 citations)	Master in physics (“Diplom Physiker (UNIV)”) (no declared affiliation on RG; member of Contemporary Physics Laboratory)
92. Edward Alexander Walker 6.47 (1 citation)	“Affiliated Independent Researcher” (as declared on RG) (at Florida Memorial University , United States – Department of Computer Science, Mathematics and Technology)
93. Ioan Buraga 24.06 (70 citations)	PhD in medicine - Professor of Neurology (at Carol Davila University of Medicine and Pharmacy , Bucharest, Romania - Department of Neurology)
94. Omid Erfanmanesh ? (0 citations)	Researcher in computer science (with no declared affiliation on RG)
95. Assoun Daniel Christian ? (0 citations)	PhD in physics (?) – CEO and Chief scientist (at GlycanSpaceXR-HELIOTORR – “SDR-ET mining and refining- NEO LEO DEEP SPACE Plasma shield- Colonization Solar System”)
96. Iustina Violeta Stan 16.24 (2 citations)	MD primary Pediatrician and professor assistant (at National Institute for Mother and Child Health “Alessandrescu-Rusescu” – Pediatric Department and at Carol Davila University of Medicine and Pharmacy , Bucharest, Romania - Department of Pediatrics)
97. Abdelkader Djelloul 3.58 (4 citations)	PhD Researcher in thin films and nanotechnology (including nanomaterials) (at Centre de Recherche en Technologie des Semi-conducteurs pour l’Energétique (CRTSE) , Department of “Développement des Dispositifs de Conversion à Semi-conducteurs”, Algiers, Algeria)
98. Harmandar Singh 0 (0 citations)	“Certificate of Basic Scoutmaster, B. Sc. (Physics, Chemistry, Math, Education), MD (AM), PhD (AM)” (with no declared affiliation, Australia)
99. Matan Sapir Cohen 0 (0 citations)	“Bachelor of Science” (affiliated to Ariel University , Department of Computer Science and Mathematics , Ariel, Israel)
100. Dwight Hoxie 28.97 (66 citations)	PhD in astrophysics, (retired) groundwater hydrologist with the U.S. Geological Survey (affiliated to United States Geological Survey , Water Resources Division, Reston, United States)
101. Zacharias Papadakis 22.16 (9 citations)	PhD, Assistant Professor, Human Performance Laboratory Director, Human Performance and Wellness Graduate Program Coordinator, Exercise Physiology Undergraduate Program Coordinator

	(affiliated to Barry University, Department of Sport and Exercise Sciences , United States)
102. Ali Mekki 20.4 (502 citations)	PhD Associate Professor (affiliated to University of Sfax , “Department LBPE_CBS/Olive Tree Institute_Sfax Tunisia”, Tunisia, member of Sami Sayadi's Lab)
103. David Cole 2.59 (0 citations)	Underemployed Mathematician and Engineer/Robotics Technician; (B.S. (Mathematics) from the University of Michigan / B.S.E.E. (Electrical Engineering) from Wayne State University , Detroit, USA)
104. Ramon Carbó-Dorca 44.72 (6977 citations)	Emeritus Professor (Head, Section of Quantum and Mathematical Chemistry (CERT) at Universitat de Girona , Girona, Spain, Centre Europeu de Recerca Teòrica & IQCC (U of Girona), member of Azah Muda's Lab)
105. Muzaffer Aksoy 0 (0 citations)	PhD (no declared affiliation: retired)
106. Dhananjay Mehendale 4.03 (13 citations)	Engineer (affiliated to Sir Parshurambhau College , Pune, India, Head of Department of Electronics)
